

Finca La Plaza

R E S T A U R A N T

Located in Ibiza's loveliest village and culinary capital Santa Gertrudis, Finca la Plaza offers an air of bohemia and an authentic Mediterranean restaurant centred around sophisticated gastronomic creations.

The restaurant and wine cellar are nestled in a secluded corner of the main square, set within the walls of a picturesque secret garden which is surrounded by natural Ibicencan flora and fauna. The abundant balmy scent of citrus fills the air whilst our guests revel in every season with us; fireside in the winter and in the open air beneath the far-reaching skies of the summer.
